AUTOGRAPHS

Each box features **1 autograph** or **autograph relic** card. Look for over 15 unique designs from booklets, multi-relic cards, on-card autographs, silver and gold ink signatures and multi-signer cards! Inception features some of the most unique relics pieces in the portfolio including hats, socks, batting gloves and fielding gloves.

**Inception MLB® First Milestone
Autographed Relics**

- **Inception Autographed Patches** – rookies and rising stars paired with oversized patches. Look for a new MLB logo patch parallel.
- **Inception Autographed Jumbo Patch Cards** - select rookies and rising stars with a jumbo patch.
- **Inception Autographed Jumbo Hat Patches** – look for new relics from the hat including the button, laundry tag and the 59fifty inside lining.
- **Inception MLB® First Milestone Autographed Relics** – Pairs game used bases from select players first hits, first home runs, first game or first strike outs.
 - Look for a new custom Jasson Dominguez version featuring all 4 bases from his debut and a new custom Elly De La Cruz featuring a base from his first career hit!
