2023

LEAF IS BRINGING BACK SOME OF YOUR FAVORITE FOOTBALL BRANDS IN A WHOLE NEW WAY!

2023 Leaf Eclectic Football brings back fan favorite brands including Valiant and Flash along with the debut of Optichrome and MultiGraphics Football! Every box will contain one autograph from a variety of brands! Each brand in Eclectic brings its own unique designs with a huge array of inserts including limited die-cut cards and super rare inserts.

Eclectic will provide collectors a chance to chase down the top up-and-coming NIL players, pro players and past football greats. Every box will also include one MultiGraphics Dual, Triple or Quad signature card. Collectors can also chase more cards from the late great Jim Brown in the Legacy Collection set. To make things even better, every card in Eclectic will be numbered to 10 or less (excluding Jim Brown Legacy autographs).
