THE BASE SET

300 TOP VETERANS AND ROOKIES

The 2026-27 edition of collector-favorite O-Pee-Chee Platinum boasts a 300-card **Base Set** consisting of 200 top veteran cards (at least four players per team) and 100 **Marquee Rookie** cards, all on dazzling platinum stock!

Every pack contains, on average, three (3) Marquee Rookie cards.

THE PARALLELS

The wide variety of color and pattern combinations, and the large number of chase cards, make the parallel lineup arguably the most popular in hockey. This year's lineup also features two exciting newcomers: Purple Riptide (#'d) and the super colorful and outside-the-box Street Graffiti (#'d to 99), which will stand out in the pack just like those golden beauties (Seismic Gold and Golden Treasures)!

Every box contains, on average, six (6) Rainbow, three (3) Sunset and two (2) Pink Magma parallel cards, and in addition to the newcomers, you'll want to keep an eye out for the perennial-favorite chase parallels: Cosmic (#'d to 65), Seismic Gold (#'d to 50), Orange Checkers (#'d to 25 and Hobby Exclusive!), Emerald Surge (#'d to 10), Bioluminescence (#'d to 5) and Golden Treasures (#'d 1-of-1)!

THE HARD-SIGNED ROOKIE AUTOGRAPHS SET

O-Pee-Chee Platinum offers some of the season's first hard-signed rookie cards, most notably from the very popular **Rookie Autographs** set.

The 2026-27 rookie class is loaded with high-end prospects and budding stars that have already made an impact in the League, such as Chicago's Anton Frondell (9 points in his 12 games), Washington's Cole Hutson (10 points in his 14 games) and Philadelphia's Porter Martone (10 points in his nine regular season games + playoff success, which included two game-winning goals).

The parallel lineup, which closely mirrors the parallel lineup of the Base Set, features multiple chase cards. Keep an eye out for Hobby-exclusive Orange Checkers (#'d to 15) parallels and the product's biggest hits - the 1-of-1 Golden Treasures parallels!

THE RETRO SET

Collect the 100-card **Retro** set! With a sharp new design and a checklist consisting of a mix of veterans and rookies (with each rookie card sporting an "RC" designation), this season's set will be a hit as always. Collect six (6) Retro cards per box, on average!

There are also several incredible parallels to collect, from the perennial-favorite Rainbow, Houndstooth (#'d to 15), Golden Treasures (#'d 1-of-1) and hard-signed Red Auto parallels (more on-card rookie autos!), to the Green Laser (#'d) parallel that was well-received in its 2025-26 debut. Every box will contain, on average, at least one (1) of these parallels!
