

In 2022, **Historic Autographs** decided to try something new for the trading card industry, a product predicated on authentic hair embedded in a card. The response was amazing and we have closely watched prices rise on both the *Prime* hobby boxes and the single cards on the open market. The top 3 grading services all grade these wonderful hair relics and collectors have proven that **HA's** reputation as an honest company adds value to the card itself.

**Historic Autographs** is proud to announce *2024 HA PRIME: Volume II* due to release in April, 2024. *Prime: Volume II* will contain 80% new subjects including:

- Mozart
- Charles Lindbergh
- Jack Dempsey
- Paul McCartney
- Neil Armstrong
- an Egyptian mummy

The autograph checklist is just as impressive with:

- (5) Sir Isaac Newton (last name only, 3rd person signature)
- Babe Ruth
- PT Barnum
- Jackie Robinson
- President Dwight D. Eisenhower
- President Woodrow Wilson
- Charles Lindbergh
- Ty Cobb
- Tiger Woods
- President Herbert Hoover
- President Benjamin Harrison

A new addition is the jumbo patch cards that include the **FIRST EVER** Harry Houdini authentic relic card (a piece from a mail bag that he used during his performances).

There will be two distant packaging variants:

**Premium box** has (3) cards with (2) Historic DNA Hair cards and either a jumbo patch card or autograph cut card (autographs come 1 per 10 boxes). Cases have (10) 3-card boxes.

**Single card packs** have the same ratios as the Premium boxes but are packaged individually so breakers/streamers can easily sell an affordable version of this popular product. Cases have (30) individual packs and have (1) autographed card per case.

**All Historic DNA cards #/25 or less!**  
**All relics #/50 or less!**
