## SELLING POINTS

- The Select brand returns to the soccer hobby for 2020 after several very popular past editions. This time, however, the opti-chrome brand will be dedicated to perhaps the most popular regional soccer tournament in the world, the UEFA European Championship! The UEFA Euro 2020 Official Select Preview Trading Card Collection by Panini will feature the 20 national soccer teams that qualified for the tournament prior to the final playoff rounds. Accordingly, the collection will include all of the best footballers on those teams, such as Cristiano Ronaldo, Kylian Mbappe, Eden Hazard, Harry Kane, Luka Modric, Christian Eriksen, and Virgil van Dijk, among many more!
- UEFA Euro 2020™ Select Soccer contains a variety of special inserts to collect. From X Factor and Top of the Class, to Equalizers and Access Denied, they highlight the best of the best in European football! Also search for Team Crests, Squads, and Visionary insert cards, but those are short-printed, so they'll be more difficult to find.
- Look for authentic autographs of European stars of the past and present in Select Signatures and Historical Significance, as well as special dual auto cards in Past and Present and Tandems!
- For collectors after authentic memorabilia, the Hobby version of UEFA Euro 2020™ Select will be the only place to go! Watch for auto/mem cards in Patch Autographs, single-swatch mem cards in Select Stars and Triumph, as well as two-swatch mem cards in Dual Jerseys, all exclusive to Hobby boxes.
